WHOLESALE LIST OF SURPLUS IRIS

Your Guide to Quality Iris at Rock Bottom Prices

AVAILABILITY OF STOCK: When my last wholesale list went out I received many orders from various states by long distance phone and by telegram. These dealers had most of their orders filled in full, even though a number of the orders were for over 1,000 rhizomes each. This year my wholesale list is going simultaneously to 2,000 nurseries. So you can see that to stand a reasonable chance of getting the stock you want you will, at the very least, have to order at once and by Air Mail.

QUALITY OF STOCK: All will be first class single rhizomes, freshly dug for your orders and promptly shipped. All stock guaranteed true to name and satisfactory in every respect. Our mountain-grown stock thrives in every state.

TERMS: Prices are F.O.B. Placerville, cash with order. Shipments sent express collect, or C.O.D. for the postage, unless you enclose postage at the rate of 4c per rhizome for Tall Bearded and all types of Beardless Iris, 2c per rhizome for Dwarfs, and 3c per rhizome for all others. **Minimum wholesale order is \$10.00**

SUBSTITUTES: If substitutes are acceptable, it will be **decidedly to your advantage** to let us know, or give us a list of other varieties you need, to use as alternates if needed. Otherwise, if we are sold out on some kinds, the ones you want instead are likely to be gone too by the time we write you. and wait for your reply.

MAKING UP YOUR ORDER: Please give, for each variety ordered, the quantity, the applicable each price, and the total.

CATALOG: Full color catalog is normally 25c, but is free to all nurseries interested in ordering. Send for your copy.
